## BID TO PUMP SEWERAGE TO WERRIBEE

The Western Suburbs Municipal Association will seek a deputation to the Premier (Sir Henry Bolte) in an effort to have Altona sewage piped to Werribee. Instead of having treated effluent discharged into the sea at Altona.

### WMSA seeks deputation

The Association also decided to endeavor to have sewage piped into the ocean beyond Geelong as the Werribee plant reaches saturation point.

A reply from the Minister to a WSMA request for information on the subject was merely a repetition of a previous statement by the chairman of the Board of Works, Mr. A. Croxford.

Cr. Fred Maddern, of Footscray, said the Minister seemed to be adopting a policy of confusing the issue as much as possible.

#### Rehash

"All he had done is rehash information given earlier this year," he said.

"Why has this side of Melbourne to put up with discharge into the bay when it was rejected on the other side of Melbourne?" he asked.

He said Altona had a gun held at its head. The Government denied until recently that there was a plan to discharge effluent into the bay while all the time they had approved plans to discharge it into the bay untreated, he said.

Cr. Maddern claimed the association had to make a stand or be a laughing stock.

The association owed it

to the ratepayers of the western suburbs to get legal advice on the situation.

"If the Government would not accept a highly sophisticated treatment plant for the south of Melbourne why should the west put up with it?" he said.

He moved that legal advice be sought with a view to forcing the Government's hand on the matter.

Cr. Maddern reminded

his colleagues that the Department of Health had forbidden the use of treated sewage on the Altona golf course, without a string of conditions.

If it was not right to spray on a golf course, then it must be dangerous to health and if dangerous to health it should not be discharged into the bay near the seaward end of the explosives pier.

Cr. J. Byron, of Williamstown, said the Board was claiming that

the 4.5 million gallons discharge from Altona would overload the Werribee plant, yet the Carrum project would take 64 million gallons from Werribee.

He felt these facts made liars of the Board.

#### Polluted

Cr. P. Holtzgrebe, of Werribee, opposed any enlargement of the Board's Werribee plant.

He said the whole beach area was now considered dangerously polluted.

Cr. Byron moved that a deputation be sought to approach the Premier with a view to having Altona effluent pumped to Werribee and the whole of the Werribee system pumped into the ocean well beyond the Bellarine Peninsula.

Both motions were carried.

## Helicopter may join pollution fight

The use of a helicopter in the fight against pollution is being seriously considered by the Western Suburbs Municipal Association.

The Association, composed of the Cities of Footscray, Sunshine, Altona and Williamstown and the Shire of Melton and Werribee, feels a helicopter could be valuable in locating the source of pollution.

Cr. J. Byron, of Williamstown, told the last meeting of the Association, that \$50 would finance a half-hour trip by a helicopter to take photos of pollution with films

sensitive to various types of chemicals. The matter was referred to the Association's pollution and environmental committee for full investigation.

These photos, when developed, clearly defined the source of pollution right to the back door of the factory concerned.

## 300 IN TECH WALKATHON

Three hundred boys participated in a walkathon which was conducted recently at Altona North Technical School.

Local industries and other sponsors responded well to the appeal.

The two top money-raisers were Barry Briscoe of Form 4F, who raised \$40.60 and Erick Dusink IC, with \$31.70.

Each of these boys will get transistor radios, the next 10 boys will also be rewarded for their interest and efforts.

The money raised will be used for the provision of sporting facilities for school students.

#### GWA luncheon

The Altona branch of the Country Women's Association will hold its Christmas break-up luncheon at 12 noon on Monday, December 7, at Altona Working Men's Club.

Sixteen-year-old Susan Jeratsch of Brooklyn escapes from the hot weather at Altona beach. Susan was relaxing between exams.

## Altona wins swim titles

Altona Primary School recently won the South-western primary school swimming championships at Newport pool, beating runner-up St. Augustine's of Yarraville by 14 points.

About 800 children from 40 schools took part in the championships.

The top four teams were: Altona Primary School, 98 points; St. Augustine's, Yarraville, 74; Williamstown North Primary School, 60; and Seaholme Primary School, 52.

ABOVE: Altona Primary School swimming team, winner of the 1970 South-Western primary schools swimming championship.

BELOW: Mr. Harry Butler, of Butler's Auto Service (left), presents Mr. G. H. L. Trevaud, headmaster of Altona Primary School, with the swimming trophy.

## Christmas break-up

Altona Spastic Aid Committee's Christmas break-up party will be held at Altona Youth Hall on Friday, at 7.45 p.m.

On Saturday, a street stall—the last for 1970—will be held in Pier Street.

Goods can be left at 9 Upton Street or taken straight to the stall.

Those making donations are asked to leave their name and address so donations can be acknowledged.

## Swim between the markers

The recent spate of drowning—two young children in a dam and a young girl at Williamstown—and a near fatality at Altona, emphasises the dangers that face young children and poor swimmers.

Further to the Altona Lifesaving Club's safety hints published in the Star last week, the most important thing is to swim between the markers where the lifesavers are on patrol—both at Williams-

town and Altona.

Lifesaving patrols were not mounted on Sunday, November 22, as the season does not start until this weekend.

But lifesavers were soon on the spot to give assistance.

Altona Lifesaving Club extends congratulations to 13-year-old Peter Angus, of Delmont Avenue, Altona West, who dived from the pier to rescue George Peachey, of Queen Street.

Two boys who helped revive Peachey were Graham Harrison of Geelong Road and Robert Swinton of Waratah Street, West Footscray.

Mr. Jim Byrne and his son Ray were sent for and the boy was taken to Altona Hospital.

Members of the public at Altona and Williamstown created serious hindrance by crowding around and not allowing free flow of air to the patient.

Mr. H. E. Walklate, country liaison officer of the Royal Life Saving Society said last week unfair and derogatory criticism of lifesavers was completely unwarranted.

"Lifesaving is not a full-time paid job and there are plenty of vacancies for lifesavers and administrators both at Williamstown and Altona if any of these critics care to offer their services," he said.

## Probationary driver loses licence

An Altona probationary driver had his licence cancelled and was fined \$30 on a charge of exceeding 35 miles per hour when he faced Mr. A. Vale SM at Footscray Court last Thursday.

Raymond Lesley Berry, apprentice fitter, of 26 Ararat Street, Altona, pleaded not guilty to the charge.

He said he pulled out to pass a truck in Whitehall Street because it was throwing mud up on to his windscreen, and that he had to accelerate to go past as the truck started to veer to the right.

"When I overtook the truck I was travelling under 35 mph, otherwise I would not have been able to see the speedo," he said.

Police said Berry had a prior conviction for exceeding 50 mph while using "P" plates in June, 1969—for which he lost his licence.

Mr. A. Vale, SM, allowed Berry 14 days in which to pay the fine.

# COUNCIL TO ACQUIRE 14 BLOCKS FOR ALTONA MEADOW

Altona Council will compulsorily acquire 14 blocks of land for the development of stage two of the Altona Meadows estate.

Nine blocks will be used as places of public resort and recreation, while the rest will be set aside for maternity and child welfare purposes.

The blocks involved are lots 41 and 42 in Nicholson Street, lots 43, 44, 45, and 46 (Powlett Street) and lots 33 and 34 (Queen Street).

Council will also carry out private street construction works in stage two of the estate at a cost of \$165,000.

Acquisition of land for shop sites or the setting apart of land for shop sites to serve stages one

and two, has yet to be done.

Provision for the widening of Queen Street by 41 feet for the development of the third stage of the estate has been referred to council's finance committee.

An application by Mr. Bunny for portion of the land known as Albert Park, which is privately owned by him, to be set aside for commercial and petrol filling purposes, was disallowed by council because it considers the application premature.

## Walkathon for hospital

Community groups at Altona will hold a walkathon next Sunday afternoon for Altona District Hospital.

They will gather at the park opposite and move off on five mile return route to the starting point.

Pictured above are some of the walkers preparing the sponsorship sheets at the hospital. Caught by cameraman Bob Hawkins, of Laverton, they are: left, Mr. Bob Stringer (hospital president), Miss Mary Zammit (Miss Fabteam Engineering), Matron Irene Smith (hospital staff), Miss Lexie Gray and Ain Utt (both of Altona Rotaract).

The walkathon will help in raising \$7000 for the purchase of modern equipment and furnishings for new sections of the hospital recently authorised by the Hospitals and Charities Commission.

This amount is all that is still needed for a \$60,000 upgrading. The hospital, which is hard pressed to meet all the calls upon its facilities.

Young people of the Altona Rotaract Club raised \$300 from an organ and vocal recital recently in the Civic Hall.

"We hope to make about \$600 from the walkathon," said Mr. Stringer yesterday. "We hope for the support of children,

## SYMPOSIUM

Park Royal Motel, Melbourne, was the scene of a symposium of the Naturopaths and Chiropractors Association of

Interstate visitors included the Federal President Professor Mervyn Judge and Mrs. Judge, Dr. and Mrs. Hoffmeister from USA, Mr. Blackmore and other prominent interstate naturopaths and chiropractors.

Mrs. A. McKnee, naturopath, of Altona, represented the Western Suburbs and her daughter Rosalind was also present.

Mr. Jacka of the Victorian branch, recently returned from overseas, gave a talk on naturopathy in other parts of the world and showed slides of his visits to naturopathic clinics.

Dr. Hoffmeister, aided by his wife Marion, who has a degree in science and chemistry, spoke on many aspects of naturopathy to the qualified naturopaths present. Dr. Hoffmeister studied under Dr. Floden at Sierra States University, America and he is a master of science, bachelor of psychology, doctor of naturopathy and philosophy.

# A history of land development in Altona

This week we continue the story of Epsom Estate ...

At that time the sales would have been quite successful but within three or four years when the bottom had dropped out of the land market the land was virtually worthless to those who owned it.

In later years some houses were built and the area became known as Wyndham, but these were removed or demolished when the refinery acquired the land about 1950. Part of the original estate east of the railway now in Williamstown has been made into an industrial estate.

## STH. NEWPORT ESTATE

This land as previously mentioned was Knight's paddock between the railway and Kororoit Creek Road in the Advertiser on January 16, 1886, mention is made that the 30th of the month 88 by quarter acre allotments would be put up for sales.

On that day of sale the paper stated that three trains would run to the sales scheduled to start at 3 p.m. The usual trimmings were provided — namely free lunch — rail passes.

The second sale, of 40 by quarter acre blocks took place on March 13 the proceeds being £3,250 (\$6,500). A third sale was held on Oct. 9, 1886 when 112 allotments were put on the market. At the 4th sales held on January 28, 1888 — 30/- per foot was realised. Another sale took place on April 21.

This land was sold by the same Estate crowd, Gemmel Tuckett and Co. but with different solic-

itors, Fink and Best. Even though the ads stated "The closest land to the Newport Workshops," it was only sold to make money and not to build on.

Most of the Estate was low lying swamp-ground and even today only the areas facing on to Kororoit Creek Road, have been built on and mostly industrial at that! The streets are still shown on street directories.

When land boomed again in the 1920's this Estate now called 'The Millington Estate' was again put on the market by Frank J. Harris. One of the inducements made to sell the property was that an electric tram line was to be built to run down Kororoit Creek Road and serve the Estate.

However these grandiose schemes collapsed with the onset of the depression in 1929-39 and the land development lapsed. In 1962 the portion of this estate in Altona Shire was annexed by Williamstown City and subsequent history of the area is out of our scope.

However another event had just taken place which compensated the land group somewhat. This was the opening of the first section of the racecourse branch on April 6, 1885. This was due to the persistent efforts of racing club committee of which A. T. Clark was a member.

This had the effect of providing the proposed estate with a railway station so, the company put an asphalt path from the new station to the new bridge which spanned the

Kororoit Creek — officially to help the racecourse, but in reality to help boost their estate.

On September 7, 1885 the first advertisement appeared in the "Williamstown Advertiser" as follows: "Epsom (the name of the Estate) preliminary announcement, 140 allotments of the celebrated estate by Public auction on the ground at noon Saturday, November 14. No reserve (e.g. no set price has to be reached before the land can be sold), free lunches, special trains, free passes."

The streets of this estate are still marked on some street directories.

The area today is now the migrant hostel, an industrial estate and portion of the Altona Refinery.

As the date of the "Epsom" sales neared, an announcement appeared in the November issue of the local paper "That within the last week A. T. Clark had bought the area known as Knight's paddock and it was to be surveyed into quarter-acre blocks for public sale.

This area, diagonally opposite Epsom, north-easterly between Kororoit Creek Road and the Geelong railway and boundary on the east by Maddock's road was of a swampy nature.

We will return to this area soon after we describe the Epsom sales.

In the same issue the following was noted: "Epsom Estate on Prince of Wales' birthday (Nov. 9, a holiday later superseded by Cup Day) a spacious marquee, also a separate sunshade for ladies, have been erected

Written by ALLAN J. CLARK, Hon. Secretary of the Altona Historical Society.

and during the day a brass band will render choice selections. For next Saturday, is advertised the sale of Epsom Estate by Messrs. Gemmel Tuckett & Co. and Mr. A. T. Clark, and J. Morgan Auctioneers.

Speculators (people who make money by the purchase and selling of land at high prices) and heads of families should carefully peruse the advertisement. This was the ad:

On Saturday, Nov. 14, at 3 o'clock on the ground, Epsom Estate, 120 allotments, Epsom Estate, Newport. The pick of the district.

## LAVERTON ESTATE

This land was originally owned by the Chirnside, Andrew and Thomas, and the land tax register shows that they held the land until a land syndicate bought the land in the early 1880's.

The name of this land firm was the Federal Investment Co. of A/Asia but our friend A. T. Clark was mixed up in it somewhere because in a publication 'The Land Boomers' mention is made that this man persuaded the Government to build a station at public expense at the site of the proposed land development on the Newport-Geelong line, even though there was only one house anywhere near the spot.

The station was to be called 'Truganina' but those in authority soon re-

alised there already existed a town of that name so the name was changed to 'Laverton.'

The estate firm, Staples, Wise & Co. were in charge of the sales, so they issued a booklet 'Laverton — the new and model suburb' in 1886. It firstly dealt with the history of Melbourne up to the date of publication and stated that the population of greater Melbourne was 325,000.

Due to the fact that the population grew 18,000 the previous year and was likely to reach 500,000 in 10 years.

A large number of new estates were needing to be developed to house the expected population growth, this then justified Laverton; the booklet then went on to extol the new suburb's virtues, compared it with such suburbs as Brighton, Caulfield, Surrey Hills.

For example it took only 28 minutes to reach Laverton by train whilst other suburbs took longer — commanding views in all directions, the bay, the Dandenong ranges, Plenty ranges, Mount Macedon and the You Yangs, 'in fact every prominent landmark within a radius of 30 miles is plainly visible'.

On April 10th 1886 this advertisement appeared in the Williamstown Advertiser: Auction 17th April.

Laverton: New and model suburb of Melbourne — grand demonstration and opening of

railway station — auction sale of 66 choice township allotments adjoining the railway station — at the opening sale — and as a guarantee that every lot will be sold an upset price has been fixed at the nominal figure of 5/- per foot — our wonderful terms are £1 per lot deposit and the balance £1 per lot per lot month with interest at 6 per cent, buyers of 2 or more lots will not be charged any interest on the unpaid portion of purchase money. Purchasers of free lots get free deeds.

Wonderful building terms — 70 per cent. of the cost of house advanced for four years without any interest whatever — all Laverton streets are 66' wide, 25 acres reserved for recreation purpose — town hall, State School, Churches, etc.

The unearned increment to the benefit of the purchasers — negotiations in progress for the extensions of suburban trains to Laverton, at present eight trains to and from Laverton.

Laverton is practically as near as, or nearer than Surrey Hills, Caulfield, Brighton or other closer suburbs being within 30 minutes by rail to Melbourne.

Only 10 minutes from the celebrated Newport Workshops now in the course of erection. The sale of a century. No land ever offered at the same upset prices in the memory of the oldest inhabitant of Melbourne. Title crown certificate deed only cost buyers £2/10/0 (\$5) in full.

Solicitors, Messrs. Penland and Roberts, Chancery Lane (now Little

Collins Street west) where title can be inspected.

Laverton has been laid out on the most sanitary principles by the well-known surveyors Messrs Bruford Brain of 67 Chancery Lane.

Get out from the crowded cities and the fever haunted older suburbs — don't forget the date — Saturday 17th April — 2 special trains on day of sale leaving Spencer Street at 2.5 and 2.25 p.m. Luncheon — admission by ticket only.

Separate tea with tea or coffee for ladies.

A capital outing — band on the ground — plans and passes from the Auctioneers, Staples, Wise & Co., at 111 Elizabeth Street.

A second sale was held May 1st when 46 allotments were put to the hammer. Whether any more sales were held is not known but apparently enough people built houses to form a small town for by October of the same year 'The Laverton Board of Works' a type of progress association had been formed and a daily mail service obtained and in May, 1888 tenders were called for school building No. 2857 to be built at Laverton.

Land adverts between the original sales and 1888 show that blocks of land were being offered from between 10/- and 15/- per foot. The consequent rise in rates as a result of the development was welcomed by Werribee Council, but difficulty was experienced in collecting the money for some because the owners couldn't be traced.

## Laphil holds championship

The Victorian hornet class yachting championships were concluded last weekend at Altona Yacht Club.

Conditions over the three weekends of heats varied greatly and the results were far from clear cut until the completion of the series.

Defending champion Ted Philipps, sailing Laphil with a full set of new sails, again clinched a close-fought victory over John Andress, who sailed a consistent series in Shadow, almost a prophetic name.

Heat one, sailed in blustery northerly gales with rough seas: First, Laphil, T. Philipps and L. Laker; second, Woomera, J. Grieve and D. Philip; third, Shadow, J. Andress and M. Baylish.

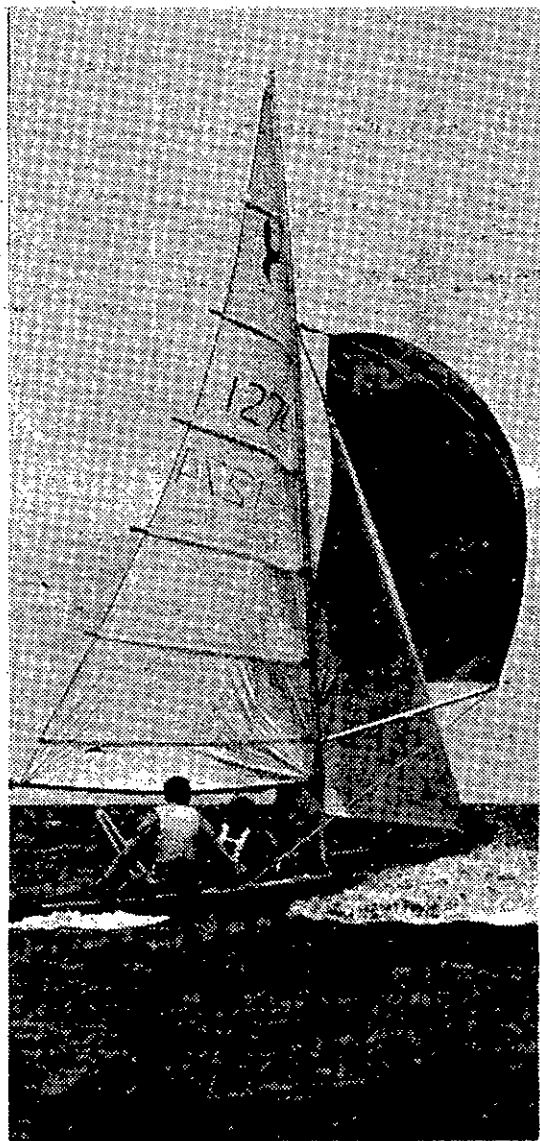

Heat two, sailed in moderate winds: First, Laphil, second Shadow, third Woomera.

Heat three, sailed in very light breeze: First, I.D.H. A. and B. Henshall; second, Shadow, third, Marion II, A. Robertson and W. Jankiewicz.

Heat four, sailed in light easterly breeze: First, Laphil; second, Marion II; third, I.D.H. Heat five, also sailed in light sea breezes of 5-10 miles per hour: First, I.D.H. second, dow; third, Laphil.

There was perfect weather for heat six, with no clear cut winner apparent. First, Shadow; second, Laphil; third, IDH.

Overall placings 1, Laphil, Ted Philipps and Les Laker, 7 1/4 points; 2, Shadow, John Andress and Mark Baylish, 9 3/4 points; 3, IDH, Aalan and Bill Henshall, 15 1/2; 4, Woomera, John Grieve and Dennis Philp, 18; 5, Marion II, Alec Robertson and W. Jankiewicz, 20 points.

# WSMA TO BEAUTIFY THE WEST

The "uninteresting basalt plains" of the western suburbs will be beautified under a scheme proposed by the Western Suburbs Municipal Association.

The WSMA comprises the municipalities of Sunshine, Footscray, Williamstown, Altona, Werribee and Melton.

Cr. Fred Maddern, representing Footscray on the WSMA, said today: "For the sort of land prices being asked today, people would much rather live on the other side of town where it is aesthetically much more appealing."

### Popular

"Through an effective beautification plan we can help make the western suburbs much more popular among prospective home buyers."

"We would also provide more pleasant surroundings for the people already living here."

The beautification plan has been suggested by the WSMA's public relations committee, comprising chairman, Cr. Maddern, Cr. Don Myers of Werribee, Cr. Vic Parsons of Sunshine and Association secretary John Shaw of Williamstown.

The first step will be a meeting between Parks and Gardens superintendents of municipalities in the WSMA.

The meeting will appoint an advisory committee to direct the

WSMA on a regional basis.

One of the Association's specific aims is planned beautification of new housing estates under development.

It hopes to call a meeting of all companies developing land in the western suburbs to state the case for beautification.

"We envisage setting up a central nursery to provide suitable trees and shrubs as a free service to subdividers," Cr. Maddern said.

"In our view, municipalities ultimately supply trees to estates already established, so why not get in early and avoid contributing to the dullness of our uninteresting basalt plains."

"Beautification in a subdivision's infancy is just as important as water reticulation or any other vital service."

### Agreement

But Cr. Maddern stressed it was just as important to beautify old areas as it was new ones.

Cr. Maddern said the WSMA would work to a gentlemen's agreement that subdividers do not increase the price of their

land because of beautification.

"But if we were to receive evidence that this was going on, we would probably blackball the subdivider concerned and withhold any further assistance," he said.

"The likelihood of exploitation however, is very remote because subdividers will realise it is in their own interests to plant trees on their estates."

"Naturally, a beautiful estate will sell much better than a dull, flat one."

The WSMA will also ask Parks and Gardens superintendents to recommend establishing buffer tree reserves throughout the western suburbs for "The purification of air and the beautification of the area."

## Canaries die without their mother

Five young canaries have met with a lonely death at North Altona — without their mother.

And six eggs in nearby cages have failed to hatch.

This might never have happened if the mother canaries had not been stolen from their cages at Neal Court, North Altona, on November 18.

The canaries' owner, Mr. Frank Holzgal, said the four birds stolen were worth \$30.

Stolen were a red male, a bluish-red female, a cinnamon female and a yellow female.

### Stolen

Mr. Holzgal said when he went to feed the birds on the morning four had been stolen. One canary had its tail feathers pulled out.

The padlocks on the cages had been unlocked and locked again.

Mr. Holzgal has kept the birds as a hobby for 18 months. Before that theft he had six pairs of birds.

### Bag found

A lady's shopping bag has been found near Simcock Avenue, Williamstown and Williamstown police want the owner to claim it.

## Man stabbed, beaten for trespassing

A man was stabbed and beaten severely while trespassing on premises in Maxwell Street, West Newport, Footscray Court was told last Thursday.

Police said the man,

Stephan Wiczorek, crane driver, of 7 Hansen Street, West Newport, had stab wounds and severe bruising and a broken hand as a result of being hit with a piece of wood.

Detective Senior Constable John Mayne said Wiczorek had been accosted in an enclosed yard at 1 Maxwell Avenue, West Newport, on January 17.

He said Wiczorek had been drinking at a hotel from 1 p.m. to 9.45 p.m. on the day in question — and then had caught a bus home along Mason Street.

Detective Mayne said Wiczorek missed his stop in Mason Street, then got confused and walked into the wrong house.

He said Wiczorek was bleeding badly after the beating.

"He was taken to Newport police station and then to Williamstown Hospital by ambulance," Detective Mayne said.

He said Wiczorek had first told police that two men assaulted him but in fact there was only one.

with malicious wounding and was released on a 12 months' good behavior bond", Detective Mayne said.

Wiczorek pleaded

guilty of being unlawfully on premises and Mr. A. Vale SM released him on a 12 months' good behavior bond.

Wiczorek was ordered to pay \$15 costs.

## W'town hotel owner dies

Miss Mary Eileen Fitzpatrick owner of the Prince Albert Hotel, Williamstown, died this week, aged 79.

Miss Fitzpatrick was buried in a family plot at the Williamstown Cemetery, after a requiem mass at St. Mary's Roman Catholic Church, Williamstown.

Known widely for her charity work, Miss Fitzpatrick died at the Williamstown hospital.

Until she became ill, Miss Fitzpatrick was regularly seen serving and mingling with the customers in the bar.

Many other local resi-

dents know her through her connection with St. Mary's Church.

Every year she donated a \$200 scholarship to the children of the church school.

She also gave generously to other charities and to the church.

She is survived by her nieces and nephews, Randall Fogarty, James Fogarty, Mrs. Kathleen Healy, Mrs. Agnes Legge, Mrs. Irene Reid and Mr. Ernest Fogarty.

## Newport Guides and Brownies

As usual Newport Guides and Brownies have been busy this week with excursions and activities.

Both the first and second Newport Brownies went on a trip to Hanging Rock.

This week has been busy for badges and tests.

From First Newport, Diane and Suzanne Tangey as well as Fiona Kennedy passed their collection tests.

Fiona also passed her house orderly test and gained the badge.

New members in First Newport are Brenda McSorely, Cheryl Spillsbury and Linda Hughes.

From Second Newport, Gayle Drummond has been welcomed as a new recruit.

Girls to pass tests in the Second are Carol Vines (Wide Awake) Sandra Carrington (skipping), Janice Maher and Pam Rogers (skipping), and Diane Howell (better brownie).

The footpath badge was passed by Sandra Carrington, Carol Vines, and Janice Maher.

Her sister Anne was promoted to pack leader and named Nita.

Apart from passing their badges the girls attended a church service at the Baptist Church.

From Second Newport, Susan Fowler progressed to the Second Newport Guides.

Lynne Howell and Carol Strickland passed badges.

Lynne passed her cooks and toymaker badge and Carolyn her hostess badge.

Buttercup patrol put on a fancy dress night and five guides did their entertainment badges.

The Newport Extension Ranger Company had a trip to Britannia Park this week, as well as accompanying the brownies to Hanging Rock.

December 4 is the date set for the break-up party of S.R.S. Yarra, the Williamstown Sea Rangers.

The party will be held at the home of Mr. and Mrs. Moorehouse.

On December 11 Marjorie Dogger will represent Yarra at the tenth Melbourne Gathering at Eildon Wier.

Little Red Riding Hood and a young artist took the prizes in the pre-kindergarten section of the North Altona, Ronald Avenue Kindergarten's recent fancy dress competition. The children pictured receiving their prizes from Altona councillor Pat Burns and his wife are three-year-old Rebecca Duane and Jason Kerse, also three.

## Youth club makes friends in Siberia

Members of the Red Cross Youth Club at Williamstown Girls' High School have made new friends who live in Barnaul, Siberia.

Some of the club's craft work was sent through the Australian Red Cross Youth Headquarters to the Alliance of Red Cross and Red Crescent Societies of the USSR as part of the international friendship exchange which has an important part in youth activities.

The gift was presented to the young people who belong to the club of International Friendship at the Pioneers' Palace in Barnaul.

These young people have now written a letter of thanks, in English, to club members, asking them to keep writing.

The Williamstown members are busy making an Australian Christmas card which they will send to Barnaul with a long, news-filled letter.

# Altona face loss to B'wick United

Altona's A Grade side could be in trouble chasing Brunswick United's 222 in the North A section of VJCA cricket.

Altona were 0/1 in reply and all batsmen will need to be in form next week for the side to score the necessary runs.

The task will not be made any easier by the loss of the club's two most senior players Ray Duckett and Jack Deller.

Duckett, a batsman and former wicket-keeper, and Deller, an all-rounder, have both retired, although Deller could reconsider his position after Christmas.

Best of the Altona bowlers was opener Colin Shaw, who took four Brunswick United wickets.

Prior to this round (the fifth) Altona were on fifth place on the premiership ladder with 12 points, closely followed by Brunswick United, also on 12.

A win is a must for the side to keep its final four chances alive.

and the innings folded quickly with Altona all out for 130.

Opening bowler Gordon Wilson got Altona off to a flying start when he clean-bowled the opposition captain in his first over.

Keith Hancock provided good support from the other end and when he captured two quick wickets North Carlton were 3/39.

Bruce Forrester relieved Wilson and was also quickly on the spot to have the opposition 5/65 at stumps.

Pleasing factor behind the side's showing was the form of substitute wicket-keeper Rodney Gray, who has already taken a good catch and allowed only two byes so far. Gray replaced Roy Evans behind the stumps for this match.

Scoreboard: Altona, 1st innings: F. Thomas, lbw Kelly 5/65.

## Christmas party

The Altona Working Men's Club Associates' Christmas party will be held on Monday, December 14 at 8 p.m.

All associates will be welcome. There will be a competition of hats to represent a song title for ladies. A further surprise competition, as well as some guessing games, have also been arranged for your entertainment.

Please remember to bring your gift — to the value of 50 cents — for the "exchange present" basket.

Would all ladies who have promised items for the Christmas hampers please remember these as well on the 14th. The special effort will be decided during the evening, so it will be necessary for all tickets to be returned by then, at the latest.

Supper will be served at the close of the entertainment.

# LITTLE ATHLETICS

## STEPHEN SMITH SCORES TREBLE

Stephen Smith of Westons Little Athletics Club scored his second treble for the season last Saturday, winning all three events listed for competition in his age group.

Stephen won the under 9 metres hurdle event to score in the position to make the smart time of 11.1 secs. and demonstrated his versatility to take out an 800 metre time of 2 mins. 53 secs.

The girls events were highlighted by the excellent performance of L. Cave competing in the under 10 section, who won the girls shotput with a putt of 5.80 metres, and ran with seasoned style to take out both the 100 metres and the 60 metres hurdles in the very fast times of 15.8 secs and 11.0 secs respectively.

As the points-scoring system employed in Little Athletics is based on the decathlon scoring method, competitors who are able to secure a treble, truly demonstrate their athletic versatility.

Other good performances recorded by participants were as follows:

**GIRLS:**  
Under 9 long jump — H. Broadley, 3.21 metres (St. Mary's). Under 11 high jump — L. Forbes, 1.16 metres (Altona). Under 13 long jump — L. Clement, 4.19 metres (Altona North).

**BOYS:**  
Under 11 high jump — 1.26 metres — G. Bone (St. Mary's). Under 12 long jump — 4.30 metres — G. Sullivan (St. Mary's). Under 11 — 1500 metres — P. Curran, 5 mins. 25 secs. (St. Mary's). Under 12 — 200 metres: 28.9 secs. G. Sullivan (St. Mary's). Under 13 — 200 metres — 28.3 secs. B. Dodd (Westons).

A comprehensive programme of athletic events was keenly contested by children from the Dandenong and Altona Little Athletics Centres last Sunday at Grant Reserve.

Altona athletes, with some good performances in the 800 metre walking events for boys, managed to secure a narrow points lead, and after completing about one quarter of the programme the Altona Centre had forged ahead to a narrow one all lead.

Although hotly pressed by Dandenong for the remainder of the day, Altona children went on to win the competition with a total of 1015 points to Dandenong's 875.

The meeting was highlighted by an atmosphere of friendly rivalry and by some excellent performances from individual athletes from both centres.

Mr. George Nevitt, Chairman of the Altona LAA executive council, welcomed Mr. Rick Hutton, president of the Dandenong Centre, members of the Dandenong executive council, Mr. Frank Davis, president of the Altona RSL, parents and children and thanked them for their attendance and participation.

Mr. Nevitt also thanked the many officials whose assistance was valuable in the efficient conduct of the meeting.

Mr. Frank Davis, President of Altona RSL, in making the presentation of a magnificent perpetual shield to the winning centre, expressed admiration for the excellent performances of the children and the friendly and sporting manner in which the competition had been conducted.

Mr. Davis said Altona RSL was happy to be associated with Little Athletics and to be in the position to make the perpetual trophy available for competition to be conducted between the Altona and Dandenong Centres annually.

Dandenong will host a similar inter-Centre athletic meeting at Dandenong in the 1971/72 season.

Other results were:
